ABOUT US

Divya Prem Sewa Mission & Divine International Foundation With solidarity has been foreseeing a dream to develop a Divine College of Medical Sciences at Shyampur Pilli Near Shyampur Petrol Pump, Haridwar-249408, Uttarakhand to cater the need for good medical education as a part of higher professional education for the sustainable development of youth and community. Our Organization is a voluntary service organization since 1997 we are serving to leprosy patients, poor helpless, destitute people and their children's.

In the continuation of same thought the trust is decide to develop the Divine College of Medical Sciences to cater the deficiency in medical service. Under this various courses of medical education will be conducted by which deprived people will get the benefit of medical studies with career guidance and wage employment which can effectively intervene and help to reduce the poverty, constrain inequality and develop sustainably and peacefully into a powerful stabilizing force as the world's largest and most vibrant democracy.

"Big changes start with small and seemingly simple things."

VISION

- To establish & develop world class self reliant College for imparting Medical and other Health Science education at under-graduate, post-graduate & doctoral levels of the global competence.
- To develop and provide professionally qualified doctors for augmenting the nation's human resources through Bio-Medico-Socio-Epidemiological scientific research.
- To provide quality & affordable health care facilities and services to all sections of the society.

MISSION

- To impart academic excellence in medical education.
- To inculcate high moral, ethical and professional standards among students and to improve their overall personality as well as inculcate compassionate behavior.

MANAGING DIRECTOR'S MESSAGE

Our college holds a special place within the community, serving as a hub of knowledge, innovation, and compassion.

At Divine College of Medical Sciences, we believe that the strength of a community lies in its health. We are committed to nurturing a culture of holistic care, where students, faculty, and staff work together to provide comprehensive healthcare services that extend beyond the boundaries of our campus.

As the Director of Divine College of Medical Sciences, I am committed to fostering an environment that nurtures innovation, cultivates excellence, and promotes inclusivity.

PRINCIPAL'S MESSAGE

The Divine College Medical Sciences believe in quality education with a student first policy. To go along with our philosophy, the college is equipped with all modern educational technology, state of art laboratories and well qualified teachers with established departments. We also believe that there is no growth without research.

After completion of the course we expect our students to be placed in Government & Corporate hospitals in India and abroad. The College has an excellent infrastructure and well qualified and experienced teachers who will be able to teach and guide you at all times.

We welcome you to join hands with us and let's make a change in health care.
